Developed by rocket scientists, our inspirational, motivational and exciting speakers and workshops are available to any conference, business seminar or event – ANYWHERE.

- SKYBOLT ROCKET: Presentations at the rocket will be provided approximately every 60 minutes.
- GUEST SPEAKER: Used to inspire and motivate audiences and enhance your event with anything from a simple business message, to changing the way your staff/visitors view themselves & your organisation.
- ROCKET FACTORY FUN: A great team building activity with a certificate for the winners. Everybody builds a rocket of their own which is then flown from one of our compressed air launchers.
- COUNTDOWN TO LAUNCH: A team based event; participants will uncover skills and competencies relevant to their roles within your company. The challenges have been specifically designed to encourage colleagues to work together to achieve results beyond their own expectations. [see www.space4companies.co.uk]
- EVENING PRESENTATIONS: As Guest Speaker - only later.... Please state if required. Time: _____
