

Science Quest KS1

Subject Area(s):	Physical Sciences
Key Stages:	Ideal for any Key Stage 1
Time Requirements:	
Set-Up Time	15 Minutes
Duration	50 Minutes each
Reset Time	15 Minutes
Set Down Time	30 Minutes

Description: Science Quest is a practical and fun packed educational experience for school children at KS 1.

Using models and activities they can explore the world of the Physical Sciences in the following Science Quests...

Learning Points:

- **LIGHT AND DARK - LIGHT QUEST**
This unit develops children's understanding of the need for light in order to see things. They learn that in the absence of sunlight other light sources can be seen
- **ELECTRIC QUEST**
Children will be introduced to the concept of electricity and the essential role it plays in everyday life. The unit will also allow children the chance to construct simple circuits

Group / Class Size:	40 maximum
Space Requirements:	These Quests are based on class sizes and can be conducted in the classroom
Equipment Requirements:	Electrical power point
Notes:	This package can be either a half day or a full day visit; the same Quest may be repeated up to 4 times in a day or you can have two of each...
